

1

Gripper Cutting Boards

Made from polypropylene and TPE. These are thermally bonded together. The TPE ensures a non-slip base.

1 Bar board

Dimensions 14x19cm

- ref 501 white/black
- 502 red/red
- 503 orange/fuschia
- 504 green/green
- 552 yellow/yellow

2 Medium & Large boards

Medium dimensions 20x28cm

- ref 505 white/black
- 506 red/red
- 507 orange/fuschia
- 508 green/green

Large dimensions 26x38cm

- ref 509 white/black
- 510 red/red
- 511 orange/fuschia
- 512 green/green

3 Acacia end-grain board

- ref 527 33x33cm

4 Acacia board

- ref 528 30x43cm

9 Cork cutting boards

Cork cutting boards are the most wear-resistant cutting boards on the market. Cork is made from bark which is harvested by hand, so the tree remains intact and produces again and again. Cork does not absorb moisture, smells or dust and is impermeable to gases and liquids. Very gentle on the cutting edge of the knife. Wash by hand.
